It has been purpose fitted and furnished to provide a comfortable couple's retreat close to the coast, and is ideally situated for exploring the whole of South Devon. The cottage can also accommodate one small dog. **This raffle will be drawn on 23rd March 2021.**

Colin Offord, an RBF Supporter based at Southeastern, kindly donated this prize to help the RBF raise money for railway people in need. Colin said: *I am delighted to support the RBF through this raffle as I am aware of the amazing work they do for railway people. Signalman's is well situated near Brixham's harbour bowl with shops and restaurants and with great views of Torbay from the nearby park. Enjoy coastal walks, boat trips, nearby steam train and delightful Dartmoor. I'm sure the lucky prize winner will have a fantastic time.*
